

Call for Volunteers –Carabosse *Fire Garden*

3 – 7 March 2016

Do you enjoy taking part in fun and creative public activities? Do you love fire? Are you good with your hands? Are you enthusiastic and friendly?

The Auckland Arts Festival has a fantastic opportunity for up to 13 volunteers for Carabosse - *Fire Garden* at the Auckland Domain.

About Carabosse - *Fire Garden* Carabosse are a world-renowned company of French fire artists and sculptors who create fire installations in outdoor sites around the world including Stonehenge, the Kremlin, Marrakech and Vietnam's Truong Tien Bridge.

Fire Garden is a three hour-long fire installation takes the audience on a journey through a fiery landscape of dreams, surprise and magic. The audience moves through structures built with fire, metal, fire pots and lanterns.

Who are we looking for? We need enthusiastic adult volunteers aged 18+who work alongside the Carabosse team to set up and light the fire elements each night and mind the installations while the public walk through. During the day you would help refill the structures with charcoal, change candles and fire pots.

You'll need to be relatively fit and strong, good at following direction, happy to work outside, comfortable around flames, and really good at interacting with the public to give them a great experience at *Fire Garden*.

You must be able to speak and understand English and if you can speak French or other languages as well, even better!

Full training for the role will be given by Carabosse. Costumes, safety gear and meals will be provided.

You will be required onsite for all of the following times (exact times subject to change):
